

Making Your Home a Haven

with Karen Ehman on WomenLivingWell.org

October 5: Create an atmosphere of coziness in your home.

To begin the challenge, adopt this routine: Light. Pray. Straighten. Repeat.

October 12: Serve up some lovin' from the oven.

This week, focus on the kitchen: the heart of the home.

October 19: Lean in and listen. Then, go make their day!

Lean in and listen for heart drops and then respond with a loving - and impromptu - gesture.

October 26: Reach out and gather in.

As a family, reach out beyond your four walls to touch the life of someone else.
